- Power system: Rechargeable battery
- Running time: 30 uses of 1 minute each
- Voltage: 100-240 V

## Service

- Warranty: 2-year limited warranty

# Highlights

## 2 Speed setting

Philips VisaPure provides 2 different speed settings: Speed one, 'gentle cleansing', for a mild and soft cleansing. Speed two, 'deep cleansing', for a comfortable and more intensive cleansing.

## Skin Zone Timer

The face can be divided into three zones: T-zone, left cheek and right cheek. Philips VisaPure suggests to change face skin area after 20 seconds with a short pause. The full program lasts 1 minute after which Philips VisaPure automatically switches off after to prevent overtreatment.

## Waterproof

Philips VisaPure is waterproof and can be easily used in the shower.

## Charging Stand

The stand elegantly complements the iconic design of Philips VisaPure. It holds the brush, taking less space and letting air naturally dry the used brush. When connected it fully charges Philips VisaPure in 6 hours.

## Rechargeable

When fully charged, Philips VisaPure has cordless power for 30 uses, equivalent to 15 days when used twice per day.

## Dual Motion

The brush rotates and vibrates. The vertical pulsating movement gently breaks up surface impurities including dirt, dead skin cells and make-up residues. The rotating movement sweeps the impurities away, leaving the skin more deeply cleansed. The coordinated movements of the bristles give you a thorough and comfortable cleansing experience.

## Additional Brushes

1 Normal skin brush is included with Philips VisaPure. Additional Sensitive and Exfoliating Brush Heads are available separately.
